1.21 p48 Exercise 1

A I saw a fantastic TV programme last night.

B What was it about?

A It was about rubbish in the oceans. It was terrible!

B Why?

A Our oceans have become big rubbish dumps. And the rubbish kills animals.

B How?

A Well, plastic bags and other plastic things are very dangerous. Animals eat the plastic and then they die. I'm going to recycle everything I can now.

B I saw a TV programme about new forms of energy.

A Was it interesting?

B Yes. It was about sun and wind energy. It also talked about clean transport. I've asked my dad to get an electric car.

A What did he say?

B He said they're very expensive.

WHEN YOU FINISH, TAKE A PHOTO OF YOUR WORK AND UPLOAD IT IN XOOLTIME.
