

You will get the answers to Exercises from Student's Book (page 56) on Sunday on my webpage

1. To repeat yesterday's vocabulary, play this **game**:

[ENVIRONMENT GAME](#)

(Za reševanje moraš omogočiti FLASH PLAYER. Poiskati moraš pare včerajšnje prve naloge. Modra pikica začne štet. Moj rezultat je 1242. Can you beat me? Screen shot tvojega boljšega rezultata na kanal ali svoj padlet. :D)

Write the title **BIOFUELS** in your notebooks.

2. **Open** your book on page 57/6a. **Read** the sentences and **think** about possible conclusions. **Listen** to the text and decide which answers were the correct ones.

[LISTENING UNIT 5](#) - page 57 exercise 6a

Copy the CORRECT version of the sentences in your notebook.

(pravilne stavke o BIOFUELS prepisi v zvezek)

1. Biofuels are fuels that are _____.

3. Listen again and do exercise 57/6b. What reasons does the speaker give for his opinion? **Choose two from the list and copy them in your notebook.** *(katera dva razloga sta omenjena. Prepisi jih v zvezek).*

4. In your notebook, **write the effects (consequences) of the two reasons** you have chosen. *(v zvezek zapiši kakšne bodo posledice)*

5. **Now open your workbook (delovni zvezek) and do the exercise on page 72.**

How will I know you did your work?

6. **Look at this short video** about the negative effects of biofuels:

[VIDEO BIOFUELS](#)

Is the message in the video the same as the message of the environmentalist in exercise 57/6b? **Write an answer + send a photo of your work (notebook) to your PADLET.**

(Ali je sporočilo video posnetka enako mišljenju okoljevarstvenika na posnetku iz učbenika? Odgovor + sliko tvojega zvezka naloži na svoj padlet.)
